**Excerpt from Journal**

**Office of Legislative Counsel**

**Monday - 20 April 1959**

**Mr. Reiter in Congressman William C. Cramer's office (R., Fla.) telephoned in connection with H. R. 5186. He indicated Mr. Cramer had given considerable study to the problem of making it a crime to conspire to commit terrorist activities and indicated that Both J. Edgar Hoover and Harry J. Anslinger were against the bill. However, the Congressman was still speculating whether or not it might be desirable to set up an anti-conspiracy section in the Department of Justice. He requested that we consider this bill and their views and in the near future make arrangements to discuss the situation with Mr. Cramer.**
